**Our Mission:**

- To establish Little Thai Place as the most authentic, affordable and accessible Thai restaurant in the market place
- To provide freshly cooked traditional Thai foods prepared by well trained professional chefs from Thailand; and
- To target the broadest customer base possible: local residents, students, working people, friends and family

Langford

**In a nutshell:**

At Little Thai Place we are uncompromising in our commitment to achieve our mission. Using superior quality ingredients in unique flavour combinations, our chefs' original recipes challenge the ordinary and provide a healthy, delicious alternative in a casual comfortable, friendly dining atmosphere.
