CANOE Brewpub is located in an 1894 Heritage Landmark building on Victoria's exquisite downtown waterfront. The rustic brick architecture and breath taking views provide the perfect setting for a relaxing beer at the bar or a grand dinner with family and friends on an elaborate patio.

The beauty of the restaurant only compliments an ever changing menu that focuses on seasonal organics, showcasing local farmers. To wash down the mouth watering food, CANOE provides wines from all over BC, Europe, US and Australia. CANOE'S Wine List has received the "best small wine list" award two years in a row, by the Vancouver Playhouse International Wine Festival.
